MEMORANDUM FOR: CHIEF, PSYCHOLOGICAL DIVISION

SUBJECT: Proposal by [redacted] 50X1

ATTACHMENT: Survey of PW Branch and Recommendations.

ADPC received and carefully reviewed, prior to his departure, the attached paper prepared by [redacted]. Time did not permit ADPC to discuss this matter in detail with you. However, among the omnibus instructions given on the last day in the office, the following is pertinent: 50X1

"With regard to [redacted] paper recommending a separate division for this office: whereas I approve in general of this paper, I do not approve of breaking it out as a separate division. I am willing to take Joe's paper (after proper staff coordination) as the basis of an organizational charter for his branch of [redacted] PW Division; provided, however, that nothing contained in this tentative approval shall be interpreted to approve giving to [redacted] branch operational authority of any operation conducted within the overseas area of an area division. As I discussed with you Sunday, I think there are operations in the Zone of the Interior which might well be assigned to [redacted] branch to conduct. But I do not buy in [redacted] branch, any more than in [redacted] branch, the idea of command channels paralleling the area divisions' command channels." 50X1 50X1 50X1 50X1 50X1
